# WELCOME FROM THE CHJA EQUITATION COMMITTEE

Welcome to the 28th Annual CHJA Medal Finals Weekend! Congratulations to each and every one of you that has qualified to participate. You should be really proud of your hard work and commitment! We hope you have the time and ride of your life this weekend! And, while you are here, remember that everyone that made it possible will be riding with you! Give a special thank you to your family, your trainer, your horse, your groom and all of our incredibly generous sponsors and volunteers!

This weekend will be filled with excitement and wonderful memories! The CHJA Medal Finals is known for its accomplished judges, great courses, hospitality and beautiful setting. Be sure to enjoy our complimentary buffet on Saturday and an all American picnic on Sunday! And, we are thrilled to add a High Score Award to the rider with highest score in the first round of a medal class. Stop by the secretary's tent and see the beautiful custom made trunk that will be awarded!

We are so grateful to all of our returning sponsors and friends. We count on these loyal supporters year after year and they never let us down. And this year we are pleased to welcome so many new sponsors and advertisers. We are overwhelmed with everyone's generosity and enthusiasm! Over the 3 day weekend we will be awarding over 500 wonderful prizes to our qualifiers, trainers and finalists! Just turn to page 7 to see all of the sponsors, old and new, large and small who make this weekend so special for you!

Lastly, thank you to our wonderful Equitation Committee, without whom none of this would happen. Since the end of last year's finals when the last fence was taken down, they have been planning and working hard to make this weekend a special celebration of your success!

We wish you all the best of luck!

## ABOUT THE JUDGES FOR THE 2011 CHJA MEDAL FINALS

**Todd Karn**, a horse lover as long as he can remember, started riding Western at eight years old, but switched to English by the time he was ten. Through his junior years he rode with Carol Molony and Kip Rosenthal, "two people that have become life long friends." He never owned his own horse as a junior, and worked in the family's store to afford entry fees. But in 1976 he borrowed a retired horse from a friend, and under Kip's very patient eye, qualified and rode in the Medal and Maclay Finals.

Todd rode while at Bennett College in Millbrook NY, and soon after launched his professional career, starting at the Ox Ridge Hunt Club. He has ridden many talented horses, including "Chital," a hunter purchased from Mr. & Mrs. William Steinkraus that excelled in the zone and placed at the National Horse Show in Regular Working Hunters. There was also "The Wizard," the 1994 Regular Conformation Hunter Champion at Devon, owned by the late Anne E. Dyson, a friend and wonderful client.

Todd received his judge's card at the age of 25 and has judged many top shows, among them The Hampton Classic, Capital Challenge, Middleburg National, and the New England Medal Finals. Todd resides in Fayetteville, NY, near Syracuse, and continues to show, teach and bring along young prospects.

**Christine Jones Tauber** of Wellington, Florida, is an accomplished equestrian with an extensive equine business and industry background. The former Executive Director of the American Horse Shows Association, is now Secretary of the United States Equestrian Federation (USEF), and is a member of the Executive Committee as well as the Board of Directors. She is currently Vice President of the U.S. Hunter Jumper Association (USHJA), and is a member of the Emerging Athletes and the Trainer's Certification Committees. She also serves on the USEF's Licensed Officials Committee. Tauber was appointed to the Kentucky Governor's Advisory Commission for the 2010 World Equestrian Games, and is a Board member of the Show Jumping Hall of Fame.

Christine has judged most major horse shows in the United States and Canada, as well as the Washington International Finals, the USEF Medal and USEF Talent Search Finals, and ASPCA Maclay National Championships numerous times. She earned her rating as an International Course Designer and Judge from the Federation Equestre Internationale (FEI) in 1977 and has worked in North America, Bermuda, Australia and Europe. In 1983, she served as the Technical Delegate for the FEI at the World Cup Finals in Vienna.

# 2010 CHJA SPORTSMANSHIP AWARD RECIPIENT

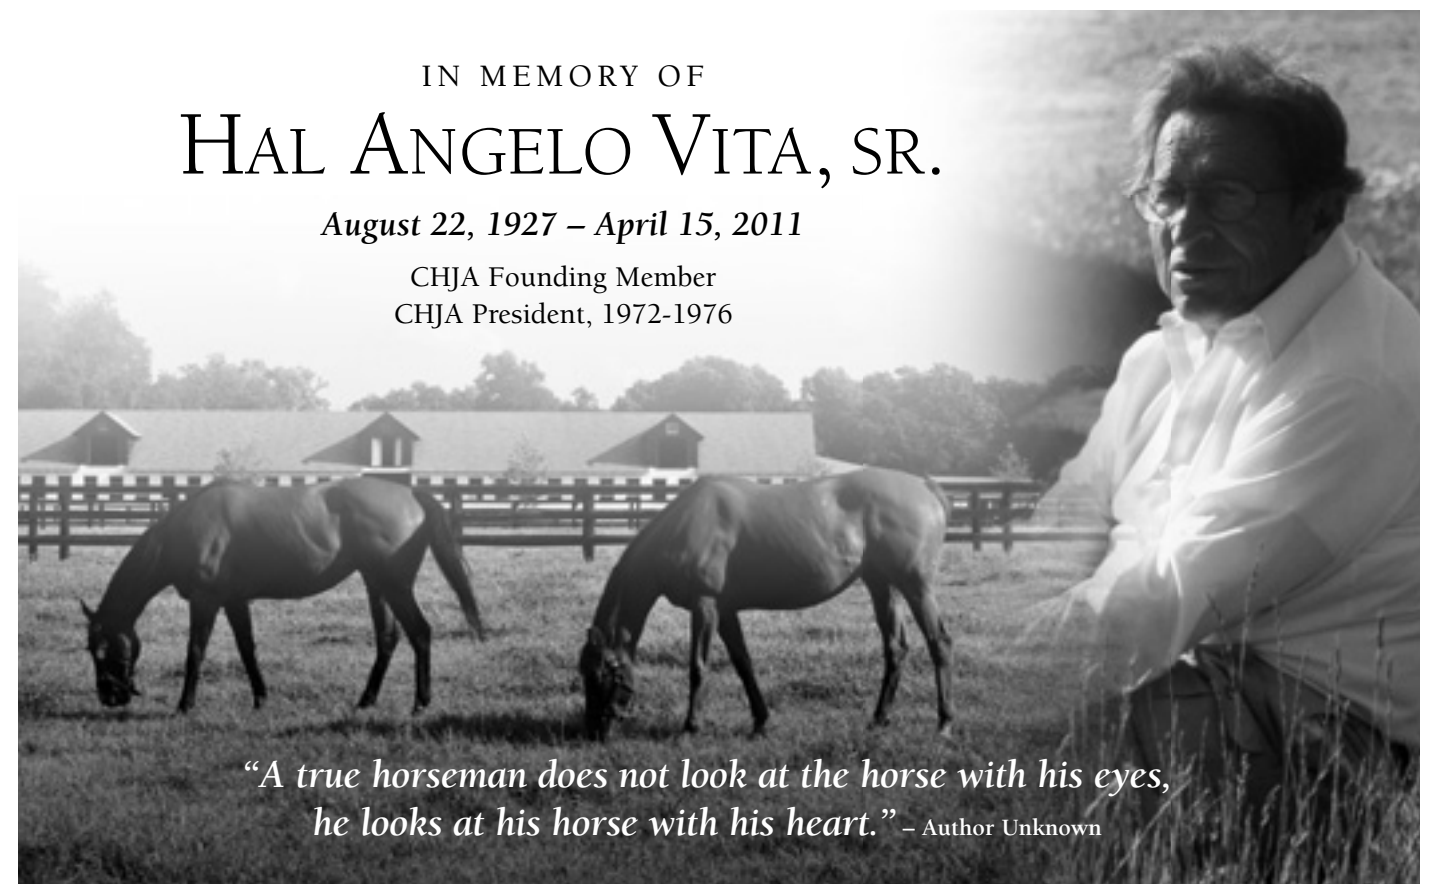

*Meg Johnson*

Sportsmanship is defined as having the qualities of decency, fair play and graciousness in victory or defeat. Tonight, the definition of sportsmanship is Meg Johnson! Meg's smile says it all! No matter how a lesson or show goes for her, the smile is ever present. At shows or at finals, she can be counted on to provide encouragement to everyone. In Meg's world the horse always comes first! But this year, Meg added strength and courage to her qualities of sportsmanship when she publicly endured the loss of her horse at a major horse show. With grace and dignity Meg has continued riding and providing encouragement to everyone around her. Meg is a role model for both Junior and Adult riders, and...the smile is still there!

IN MEMORY OF  
**HAL ANGELO VITA, SR.**

*August 22, 1927 – April 15, 2011*

CHJA Founding Member  
CHJA President, 1972-1976

*"A true horseman does not look at the horse with his eyes,  
he looks at his horse with his heart." – Author Unknown*

## 2010 CHJA SCHOLARSHIP WINNERS

### *Irene Peluso* – \$3,000

Irene has many passions: music, writing, pursuing a career in medicine, and of course, horses. An honors student at Farmington High School, she has challenged herself with a very intense and demanding Advanced Placement course load, while winning awards in CHJA Open Equitation, USEF Zone 1 Children's Jumpers, National Honor Society, Spanish Honor Society, Music Honor Society, and the Fine Line Literary Magazine. She was junior committee co-chair of the Folly Farm Classic Benefit horse show, raising funds to support The Hole in the Wall Gang Camp program. To her teachers, Irene "exudes a poised, rational self-confidence that makes her a natural leader," and she is "a student of high integrity who holds herself to the highest standards of performance and quality." Irene has embraced a motto to live by: "Sometimes when you slow down, you go faster." She writes, "There are moments which I think back on and wish that I had just taken one extra deep breath, stopped talking for one minute to listen, thought about my plan for just another second longer, or listened to advice when it was given to me."

*"The road to becoming a physician will be a long and sometimes tiring one, but the lessons of persistence, time management and focus that I utilize in my riding will carry over into my career choice."*

### *Victoria Stevens* – \$3,000

Victoria is an honor and advanced placement student with nearly a straight A average at Robert E. Fitch High School in Groton, CT. She manages to achieve this amidst an extremely active riding career and volunteer work with the Rotary Interact Community Outreach program. She has also served as a warm up rider for Connecticut College IHSA shows, a jump judge at Mystic Valley Hunt Club eventing shows, IEA team member for Southeastern Connecticut, and show groom. Her teachers and coaches speak very highly of her work ethic, dedication, and her determination to succeed while helping others to do the same. She impresses everyone with her maturity and remarkable ability to gain the trust and confidence of others. In the words of her trainer, "What sets Victoria apart is her dedication to all aspects of the sport. She is a horseman." Victoria began riding as a reward for working hard in school, but the confidence she gained as a result of this fulfilling experience "spilled over into my school-work and helped me excel in academics."

*"There is a unique bond between the rider and the horse. The horse respects the rider and the rider respects the horse. There is nothing better than walking into the barn and having your horse whinny at the sight of you or the sound of your voice."*
