# ABOUT THE JUDGES FOR THE 2023 CHJA MEDAL FINALS

---

---

**Todd Karn**, a horse lover as long as he can remember, started riding Western at eight years old, but switched to English by the time he was ten. Through his junior years he rode with Carol Molony and Kip Rosenthal, “two people that have become lifelong friends.” He never owned his own horse as a junior, and worked in the family’s store to afford entry fees. But in 1976 he borrowed a retired horse from a friend, and under Kip’s very patient eye, qualified and rode in the Medal and Maclay Finals. Todd rode while at Bennett College in Millbrook NY, and soon after launched his professional career, starting at the Ox Ridge Hunt Club. Todd received his judge’s card at the age of 25 and has judged many top shows, among them the Hampton Classic, Capital Challenge, Middleburg National, and the New England Medal Finals. Todd resides in Fayetteville, NY, near Syracuse, and continues to show, teach and bring along young prospects.

---

**Mark Frohm** started in the horse business with his mom and dad at High View Farm in Pittsford, NY in 1978. He rode and trained riders to many Championships as well as ten Zone 2 Champions and Reserve Champions at the Junior Hunter Finals. He also had many Junior Equitation riders qualify for the Medal and Maclay Regionals and Finals. In much demand as a judge, Mark has held his judge’s card for over twenty-five years and has judged throughout the United States and Canada.

## SPONSOR OF THE CHJA MEDAL FINALS BACK NUMBERS

Twin Lakes Farm is Westchester's largest and most diverse equestrian center, offering both boarding and a robust riding academy. The riding academy starts at age six with private lessons before moving up to groups; adults ride daily and take advantage of the 8pm adults-only classes. For the more serious equestrian, Twin Lakes Farm offers Drill Teams, Interscholastic Teams, Horse Shows and Summer Leasing while also offering year-round boarding. Camp is co-educational and runs 8:30am to 4:30pm all summer and includes riding, camp activities and the very popular camp horse show.

Set on two campuses each has its own indoor arena, 55 stalls each, lighted outdoor arenas, paddocks with hay feeders, heated tack rooms and wash stalls. The North Barn is home to the Riding Academy, Drill Team and Therapeutic Riding Program while also hosting the interscholastic (IEA) shows and schooling shows. The South Barn houses the boarders and show team while hosting nine USEF shows each year. Whether it's children's lessons, adult lessons, riding teams, showing competitively or recreational riding there is something for everyone at Twin Lakes Farm which is why we are:

# 2023 SPORTSMANSHIP AWARDS

## JULIA COTTER MEMORIAL TROPHY

*Donated by Hugh Kerrigan & The Farmington Polo Club*

*This award is presented annually to an Amateur or Junior member whose character best exemplifies the qualities of decency, fair play, and graciousness in victory or defeat.*

### *Jamie Sherman*

We are delighted to announce the 2023 CHJA Junior Sportsmanship Award recipient, Jamie Sherman!

Jamie is the first President of the recently formed CHJA Youth Advisory Board and

we are already in awe of her character and abilities which made her our selection for this year's award!

"Jamie never takes full credit for anything, always giving praise to the rest of the youth board. Soliciting donors for the Silent Auction is not easy, but Jamie is always so gracious and sincere. She sets a wonderful example for the others."

"Jamie not only maintains as close to a perfect academic performance as one can achieve but she is also a working student at Myhre Equine Clinic. She also gives back by volunteering her spare time assisting the Myhre team in all aspects of veterinary care."

"At the barn Jamie always takes the initiative to help the new kids learn proper horse care. She never complains and she will ride any horse offered to her. She is certainly a role model to those lucky enough to be around her!"

"At the horse shows Jamie jumps into action helping set up stalls, providing daily care and helping to get the horses prepared to show. She genuinely wants the rest of her peers to succeed and is gracious and humble in victory or defeat."

"As we are preparing for Finals there is one person I know who will call or email every few days to see if there is anything she can do to help. Her dedication and love of the sport and this event are contagious!"

Congratulations Jamie! You exemplify what the Sportsmanship Award is all about. We are so proud to call you a member of the CHJA.

### *Bob Rose*

Please join us in congratulating the 2023 Adult Sportsmanship Award recipient, Bob Rose! The words of those who nominated him say it best:

"I could not think of a better candidate for such an award as Bob Rose. I wish all my riders, including my children had his level of commitment and passion for our sport. Bob rides in the cold, in the heat, first in the class, last in the class and rides with enthusiasm that is inspiring. He seeks out new challenges on horses that are far from easy, and he does them with drive and zeal. He is always ready to ride but I have also seen him wait all day for a class and then scratch as he thought it was much too late or too hot for the horse."

"Bob is always the first to come over to the CHJA Tent during Finals and offer to help, no matter what the job, even though he will be showing himself!"

"Years ago, one of our very young riders was separated from her horse at a home horse show and she did not want to get back on. Bob sat with her for a while and encouraged her to continue which she did. Fifteen years later she is one of our very strongest riders."

"Bob is always the first to arrive at away horse shows and picks up the back numbers, the class counts and enters the Starbuck riders preferred order with the gate persons. He is always happy to serve as a filler to help other riders reach their point goals."

Congratulations Bob! You exemplify what the Sportsmanship Award is all about. We are so proud to call you a member of the CHJA.

# 2023 CHJA 2'6" HUNTER CLASSIC

*Sponsored by The Pines Farm, South Glastonbury, CT*

FRIDAY, AUGUST 18, 2023

FOLLOWING THE CHILDREN'S HUNTER PONY CLASSIC

The CHJA 2'6" Hunter Classic will be judged as a Hunter Derby, in a two-round format. To be judged on an open numerical system by two USEF registered judges. In the first round (Classic Hunter Round), all horses will jump a hunter type course consisting of a minimum of 10 jumps not to exceed 2'6" in height with spreads to 2'6". The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. It should include one bending line, one unrelated distance, and one long approach. The obstacles are to simulate those found in the hunt field. Natural obstacles may be used. The top ten competitors are eligible to return for the second (Handy Hunter) round. The second round will consist of at least eight obstacles not to exceed 2'6", and must have a minimum of two handy options, such as: tight turns, different tracks, clever options for jump approaches, hand gallop a jump, trot a lowered obstacle not to exceed 2'6" in height, halt and/or back. The second round shall be judged on performance, hunter pace, jumping style, quality and substance, movement, handiness, and brilliance of pace. Scores from the first round will be added together with the scores of the second round to determine the placings. If a tie exists for first place only after the second round, a third round will be held to determine the winner. All other ties will remain tied. No rider may show more than two horses in any one classic.

*Note: Does not include pen type obstacles or high option fences in the second round.*
